

Art.No. 3582 / (USA)

Multi-colored Memo

Game:	Match up picture pairs
Players:	For 2 – 4 children, age 3 and up
Contents:	36 picture tiles made of birch plywood (18 picture pairs)
Design:	Hannelore Wernhard

First place the 36 picture tiles facedown on the table or floor so that all the players can reach them easily. The youngest child begins.

When it is your turn, turn over any two tiles and see if you have two identical motifs.

If you do, you keep this **matched pair** in a pile in front of you. Then it is the next player's turn.

If you have two motifs which **don't match**, turn them back face-down, but try to remember what they are. Then it is the next player's turn.

The player with the most tiles (the highest tower) at the end of the game **is the winner**.
